1. The Examiner consider completely the cited information, along with any other

information, in reaching a determination concerning the patentability of the present claims;

2. The enclosed form PTO-1449 be signed by the Examiner to evidence that the cited

information has been fully considered by the Patent and Trademark Office during the

examination of this application;

3. The citations for the information be printed on any patent which issues from this

application.

By submitting this Information Disclosure Statement, the Applicant(s) makes no

representation that a search has been performed, of the extent of any search performed, or that

more relevant information does not exist.

By submitting this Information Disclosure Statement, the Applicant(s) makes no

representation that the information cited in the Statement is, or is considered to be, material to

patentability as defined in 37 C.F.R. §1.56(b).

By submitting this Information Disclosure Statement, the Applicant(s) makes no

representation that the information cited in the Statement is, or is considered to be, in fact, prior

art as defined by 35 U.S.C. §102.

Notwithstanding any statements by the Applicant(s), the Examiner is urged to form his or

her own conclusion regarding the relevance of the cited information.

An early and favorable action is hereby requested.

Respectfully submitted,

James H. Morris
